

Welcome to the (hidden) online shop of Van Syl Production :)

Here you will find all kinds of printed and digital products that have been created by me, Nox L. Murawski – art prints, calendars, buttons, soundtracks, t-shirts, mugs, books, etc. Mostly the creations belong to my lifework [Terra Aluvis](#) and focus on the male main couple [Sacris and Jerome](#). Mature content warning: While the general setting is fantasy, male romance and explicit depictions of gay BDSM scenes are part of it as well.

All purchases take place via email to nox.murawski@gmx.net and can be paid either via Paypal or SEPA. Worldwide shipping is possible. Any further questions? Just ask me! :)

– TERRA ALUVIS VOL. I –

~I~

Die Nebelschleier hingen schwer vor dem Antlitz des Himmels und erlaubten ihm nicht, sein Sternenlicht zur Erde zu tragen. Kein Wind regte sich in dieser Nacht, ja, die Luft schien fast zu stehen, wengleich einem die Kälte im Tal des Eksaph einen Schauer nach dem anderen über den Rücken zu jagen vermochte.

Die kleine Siedlung, welche zu jener Nacht nicht mehr als hundert Seelen zählte, war ungewöhnlich weit abseits von der Hauptstadt der Menschen Hymaetica Aluvis gelegen; denn Hymaetica befand sich an der Küste zum Ozean der Träume, um welche sich die anderen Dörfer und Städte angesiedelt hatten. Eksaph hingegen lag tief in der Wildnis des Gebirges des Grauens verborgen und war nur sehr schwer zu erreichen. Und doch hatte diese Kleinstadt, wie alle größeren Menschengemeinschaften, diesen einen kleinen Schutz: die Schilde der Wissenden – so unbedeutend, so wertlos gegen das, wogegen sie sich zu schützen erhofften ...

Während dieser mondlosen Nacht inmitten dieser verlorenen Berggegend, ja, ausgerechnet zu diesem abgelegenen Ort – geprägt durch einsame Adler, deren verzweifelter Ruf von den kahlen Gipfeln widerhallte – waren sie gekommen.

Sie, denen die verfluchten Schatten gehorchten. Sie, die sich zu Herren über das Schicksal gemacht hatten. Sie, welche die Verdammnis mit sich brachten.

Celine blickte gedankenverloren an die dunkle Decke ihrer Kammer. Vor ihrem inneren Auge sah sie Lewyn gegen das Licht der Sonne vom Pferd zu ihr herab lächeln. Dabei erklärte er ihr, dass er einen Brief an den Prinzen zu überbringen hatte und in einer Woche zurückkehren würde. In einer Woche also ...

Danach war der junge Mann zügig auf seinem Pferd davon geritten und zu einer verschwommenen Silhouette am Horizont geworden – auf dem Weg zu Sacris Faryen, dem Prinzen der Menschen und zugleich Lewyns und Celines bestem Freund.

Das Mädchen musste unweigerlich schmunzeln, als sie sich daran entsann, wie sie alle noch vor wenigen Jahren zu dritt herumgetollt hatten ... Ach, es waren schöne Erinnerungen ...! Voll Leichtigkeit und Unbefangenheit ...

Seitdem Celine im Alter von neun Jahren von Lewyns Eltern aufgenommen worden war, hatte sie viel Zeit mit den beiden verbracht, obwohl jeder letztlich seinen ganz eigenen Weg gegangen war. Sie selbst setzte die Tätigkeit ihrer verstorbenen Mutter als Heilkundige des Dorfes fort, half den Menschen, wo sie nur konnte, und fand darin ihre Erfüllung. Sacris dagegen wurde in der Hauptstadt Hymaetica gelehrt, eines Tages als König das Reich der Menschen zu regieren. Und Lewyn lebte

Fantasy Yaoi BDSM T-Shirts

- black, 100% cotton, V-shaped neck, 165 g/m²
- washable up to 30°C

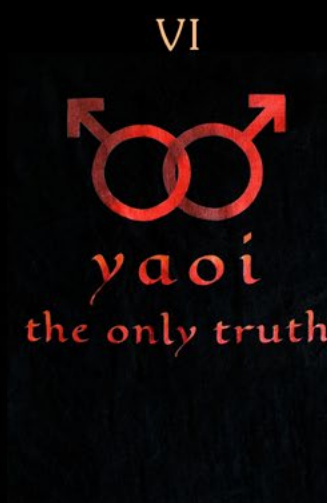

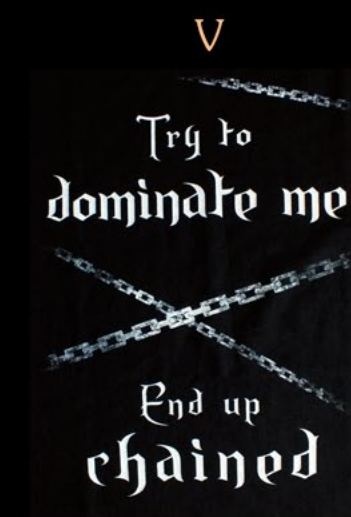

1) Choose between motif I-VII

2) Choose between male sizes S-XXL (female XS-XXL on demand). Please note: The sizes are according to the international EU/US size standard. Although, out of experience I and my customers can say that at least the male sizes feel one size smaller than usual (probably the same with the female sizes too). So better order one size bigger to make sure it fits!

Please note: All motifs except for III + IV are product pictures. I tried to flatten the t-shirts as good as possible. However, here and there some small distortions due to the material are visible.
